

Fox Creek Architectural Committee List of Replacement Trees

Here's a list of trees approved to replace trees approved for removal by the Architectural Standards Committee when caveat for removal is that removed trees must be replaced:

- Eastern Red Cedar tree
- Beech Tree
- Sourwood tree
- Red, White Oak tree
- Live Oak tree
- Hickory tree
- Pine Tree
- Boxelder tree
- Ash Tree
- American Elm tree

Replacement trees must be at least 3" caliper.

These trees may also be added to existing landscaping, subject to prior approval. Homeowners can submit proposed trees not on this Fox Creek tree list but must be approved by Architectural Committee before installing.
